JOB DESCRIPTION:

The responsibilities of this role will include delivering all services typically required for a first-class production, executed to the highest professional standards. The entire touring company is expected to work collaboratively as a team and, on occasion, support other departments.

- Work closely with the Director, Creative Team, and Stage Management
- Ensure the smooth running of rehearsals, technical rehearsals, and performances, including ongoing cover rehearsals.
- Daily setup and performance pre-sets
- Creation and execution of a backstage Stage Management track
- Taking an active role in training new staff and deputies, as needed.
- Accurate and detailed completion of production paperwork
- Under the supervision of the Deputy Stage Manager, learn 'the book' and provide coverage as required.
- You will assist the Stage Management department during the fit-up and load out.

SKILLS REQUIRED

- Clear, confident communication with the Stage Management team, technical departments, and performers.
- Ability to stay calm under pressure, along with strong problem-solving skills in a fast-paced, live production environment
- Experience of being 'on book' for large-scale musicals and the ability to score read is preferred.
- Familiarity with and adherence to current Health & Safety guidelines relevant to the production is essential, which may include working at height, using appropriate safety equipment and clothing and attending training as deemed necessary.
